In light of the above, I would like to express my appreciation to the Minister for Kampala, The Lord Mayor, the Kampala City Council and the Executive Director for granting me the opportunity to have worked in the position for the past four years.

I have learned a great deal during my time here and have enjoyed collaborating with the Government, the Club Patron, the Executive Sponsor (ED), the Board, the CEO KCCA FC and staff, the KCCA staff, the KCCA FC fans, FUFA, the Soccer Agents, Sports media family, the Sponsors and all stake holders. I will take a lot of what I have learned with me in my career and will look back at my time here as a valuable period of my professional life.

I will endeavor to make the transition as smooth as possible considering that we have a new technical department and players settling in, the team requires concentration in three competitions in August and September and completion of the Club strategy plan.

I will support in whatever way I can to hand over my duties to colleagues or to my replacement during the process.

I thank you for the tremendous support during my tenure and request for your continuous support for the club to excel locally and at the continent.

Yours Sincerely,

Martin Ssekajja
